POLL EXPLANATION & ABOUT THE BCS:

The Harris Interactive Poll, USA Today Coaches Poll and computer rankings each comprise one-third of the BCS Standings. To derive the percentages, each team's total points in the Harris and USA Today polls are divided by the maximum possible points (2,625 for Harris and 1,550 for USA Today). The computer rankings percentage is calculated by dropping the highest and lowest ranking for each team and then dividing the remaining total by 100 (the maximum possible points). The BCS Average is calculated by averaging the percentage totals of the Harris Interactive Poll, USA Today Poll, and computer rankings. The teams' BCS Averages are ranked to produce the BCS Standings. The six computer ranking providers are Anderson & Hester, Richard Billingsley, Wes Colley, Kenneth Massey, Jeff Sagarin and Peter Wolfe. Each computer ranking provider accounts for schedule strength within its formula.

The BCS is a five-game arrangement for post-season college football that is managed by the 10 Football Bowl Subdivision conferences and institutions. Its purpose is to match the top two teams in a bowl game and to create exciting matchups in four other games.

The No. 1 and No. 2 teams in the Dec. 8 BCS standings will play in the Vizio BCS National Championship Game on Jan. 6, 2014 in Pasadena, Calif. The winner of the game will be presented the Coaches Trophy, emblematic of the national championship. For more information, visit www.bcsfootball.org or www.facebook.com/EveryGameCounts.

SEC BOWL AGREEMENTS

The Southeastern Conference recently announced agreements with nine postseason bowls and a new process for the assignment of SEC member schools to bowl games, beginning with the 2014 season and extending for six years.

The new SEC bowl process coincides with the beginning of the new College Football Playoff that follows the 2014 college football season. The SEC will also participate in the Allstate Sugar Bowl and the Discover Orange Bowl (in selected years).

"We are pleased to have established a lineup of premier bowl games that will give our student-athletes a wonderful post-season experience and our fans the opportunity to travel to venues in the geographical footprint of the conference," said SEC Commissioner Mike Slive.

Under the new SEC bowl system, the Capital One Bowl in Orlando (vs. Big Ten/ACC), a long-time SEC bowl, will have the first selection of available SEC teams after any conference schools have qualified for the College Football Playoff, the Allstate Sugar Bowl or the Discover Orange Bowl.

Following the Capital One Bowl, there will be a pool of six bowls comprised of renewals with the Outback Bowl in Tampa (vs. Big Ten), Franklin American Mortgage Music City Bowl in Nashville (vs. ACC/Big Ten), TaxSlayer.com Gator Bowl in Jacksonville (vs. ACC/Big Ten) and AutoZone Liberty Bowl in Memphis (vs. Big 12), as well as new agreements with the Texas Bowl in Houston (vs. Big 12) and Belk Bowl in Charlotte (vs. ACC).

In consultation with SEC member institutions, as well as these six bowls, the conference will make the assignments for the bowl games in this newly created pool system.

"This bowl process gives us the best opportunity to address several issues that impact SEC fans, including the creation of intriguing matchups, the accommodation of travel for fans, reduced ticket obligations for our schools and a variety of assignments to help prevent repetitive postseason destinations," said Slive.

The SEC has also renewed its relationship with both the Birmingham Bowl (vs. TBA) and the Advocare V100 Bowl in Shreveport (vs. ACC). The Birmingham Bowl will have the first selection of available teams following the pool of six bowls. The Advocare V100 Bowl will have the next selection of available teams following the Birmingham Bowl.

2013 SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Scoring Plays

Reviewable plays involving a potential score include:

- a. A potential touchdown or safety. [Exception: Safety by penalty for fouls that are not specifically reviewable.]
- b. Field goal attempts if and only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights as it crosses the end line, the play may not be reviewed.

Passes

Reviewable plays involving passes include:

- a. Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
- b. Forward pass touched by a player or an official.
- c. Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.
- d. A forward pass or forward handing after a change of team possession.
- e. Pass ruled forward or backward when thrown from behind the neutral zone.
 1. If the pass is ruled forward and is incomplete, the play is reviewable only if there is clear recovery of a loose ball in the immediate continuing action after the loose ball. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 2. If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

Dead Ball and Loose Ball

Reviewable plays involving potential dead balls and loose balls include:

- a. Loose ball by a potential passer ruled a fumble.
- b. Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.
 1. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 2. If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.
- c. Live ball not ruled dead in possession of a ball carrier.
- d. Loose ball ruled dead, or live ball ruled dead in possession of a ball carrier when the clear recovery of a loose ball occurs in the immediate continuing action.
 1. If the ball is ruled dead and the replay official does not have indisputable video evidence as to which team recovers, the dead-ball ruling stands.
 2. If the replay official rules that the ball was not dead, it belongs to the recovering team at the spot of the recovery and any advance is nullified.
- e. Ball carrier's forward progress with respect to a first down.
- f. Catch or recovery of a fumble by a Team A player other than the fumbler before any change of possession during fourth down or a try.
- g. Ball carrier in or out of bounds. If a ball carrier is ruled out of bounds, the play is not reviewable, except as in Rules 12-3-1-a and 12-3-3-d.
- h. Catch, recovery or touching of a loose ball by a player potentially touching or having touched a sideline or end line.
- i. A loose ball touching on or beyond a sideline, goal line, or end line, touching a pylon, or breaking the plane of a goal line.

Kicks

Reviewable plays involving kicks include:

- a. Touching of a kick.
- b. Player beyond the neutral zone when kicking the ball.
- c. Kicking team player advancing a ball after a potential muffed kick/fumble by the receiving team.
- d. Scrimmage kick crossing the neutral zone.

Miscellaneous

Situations that may be addressed by the replay official:

- a. The number of players on the field for either team during a live ball.
- b. Clock adjustment and status when a ruling is reviewed.
- c. Clock adjustment at the end of any quarter. If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:
 1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
 2. In the second and fourth quarters only, the team in possession when the ball became dead would next put the ball in play from scrimmage (not the try);
 3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
 4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.
- d. Correcting the number of a down.
 1. This includes the result of a penalty enforcement that includes an automatic first down or loss of down.
 2. The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.
- e. Any person who is not a player interfering with live-ball action occurring in the field of play (Rule 9-2-3).
- f. The player disqualification portion of the penalty for targeting fouls under 9-1-3 and 9-1-4. The point of initial contact and use of the crown of the helmet are reviewable; however, the targeting action itself is not reviewable. Note that if the disqualification is reversed the 15 yard penalty remains.

Limitations on Reviewable Plays

No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and 12-3-5-a).

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSPORT. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSPORT Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Six of the seven on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

RECENT ADDITIONS

* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

* If at the end of a half the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
2. The team in possession when the ball became dead would next put the ball in play from scrimmage;
3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

THE EQUIPMENT

Each SEC member institution uses the HD Replay System developed by DVSPORT. The replay systems are maintained by the home institution with technical support from DVSPORT.

SEC IN THE BCS

• The SEC has won seven consecutive national championships, nine of 14 BCS National Championships and 23 overall national titles (AP, BCS, FWAA, coaches poll). Alabama defeated Notre Dame 42-14 on Jan. 7 in the Discover BCS National Championship Game for the SEC's seventh straight national title.

• Four different SEC schools have won the BCS National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012; Florida, 2006 and 2008; LSU, 2007). Tennessee (1998) and LSU (2004) have also won the BCS crown. The Big 12 (Texas and Oklahoma) and the ACC (Miami and Florida State) have each had two schools win titles since 1998.

• Since 2006, more than half of the slots in the BCS National Championship Game have been taken by SEC teams (9 of 16). The Big Ten and the Big 12 have two each and the Pac-10 has one.

• No other conference has won a BCS National Championship Game since Texas defeated Southern California, 41-38, in the Rose Bowl following the 2005 regular season. The SEC has won the last seven in a row.

• An SEC team has led or tied for the lead at the end of 24 of the last 28 quarters of BCS National Championship Game play.

• Since 2006, an SEC team has been ranked first in the weekly BCS standings in 30 of the 56 weeks, with four different teams holding the top spot. Florida was first for seven weeks, Alabama for 10 weeks, Auburn for three and LSU for 10 weeks, including all eight polls of this season. The Big Ten has held the top spot for 13 weeks (all Ohio State), the Big 12 for six weeks (Texas and Oklahoma twice, Missouri and Kansas State once) and the Pac-10 four weeks (all Oregon).

• The SEC has had more teams ranked in the BCS standings for the most times than any other conference since 2006. The league has had 12 of its 14 teams ranked at one time or another since 2006 for a total of 290 times. The SEC breakdown: LSU (53), Alabama (43), Florida (41), Georgia (31), Auburn (29), South Carolina (29), Arkansas (23), Tennessee (14), Mississippi State (12), Texas A&M (8), Kentucky (4) and Ole Miss (3).

• Since 2006, the SEC has posted a 10-4 record in BCS bowl games, more wins and a higher winning percentage (.750) than any other conference. The win total nearly equals that of the next two highest conferences. Here are the BCS bowl records of all conferences since 2006:

| | | |

| ACC | 2-6 | .143 |
| MAC | 0-1 | .000 |

• Three of the top nine defensive performances in BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in BCS history. Georgia defeated Hawaii, 41-10, in the 2008 Sugar Bowl, and Florida defeated Syracuse, 31-10, in the 1999 Orange Bowl - both are tied for 7th in lowest point total allowed in a BCS game.

• Alabama's 28-point victory over Notre Dame in the 2013 Discover BCS National Championship second-largest in the BCS era. (Southern Cal defeated Oklahoma by 36 in the 2005 BCS Championship Game for the top spot, however, that victory was later vacated.)

• During the current seven year streak, the SEC's average margin of victory in BCS National Championship Games is 17 points, which includes a three point victory over Oregon in 2011, the only game during the streak decided by single digits.

SEC IN OVERALL BOWL GAMES

• Since 2006, the SEC has accrued more bowl wins (42) and appearances (73) than any other conference. The conference's .656 bowl winning percentage is third behind the Big East (23-10, .697) and Mountain West (20-9, .690) during that time.

SEC CHAMPIONSHIP GAME

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

Two-Team Tie. In the event two teams are tied for a division title, the following procedure will be used in the following order:

- A. Head-to-head competition between the two tied teams;
- B. Records of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and

G. The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game.

Three-Team Tie (or more). If three teams are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- A. Combined head to head record among the tied teams;
- B. Record of the tied teams within the division;
- C. Head to head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall Conference record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- G. The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game, unless the second of the tied teams is ranked within five-or-fewer places of the highest-ranked tied team. In this case, the head-to-head results of the top two ranked tied teams shall determine the representative in the SEC Championship Game.

He finished his career with 41 tackles, one sack, 3.5 tackles for loss, 10 pass breakups, one interception, one forced fumble, and one fumble recovery. He opened the 2006 season with six tackles, one TFL, and one PBU in a season-opening win over California, but suffered a career-ending shoulder injury in the subsequent week's win over Air Force. He has since used his story of overcoming adversity and adapting to change to help mentor underprivileged youth in Knoxville and his hometown of Atlanta.

TEXAS A&M – Dat Nguyen, Linebacker, 1995-98

Dat Nguyen was the winner of the 1998 Lombardi Award and Bednarik Award as well as a consensus All-America linebacker at Texas A&M. Nguyen started every game of his Texas A&M career, setting a school record with 51 consecutive starts while collecting a school-record 157 career tackles. He is the only player in school history to lead the team in tackles four consecutive years. He was drafted by the Dallas Cowboys and played from 1999 to 2005, earning All-Pro honors in 2003 while becoming the first Vietnamese-American linebacker in the NFL.

VANDERBILT – Jimmy Williams, Cornerback/Running Back, 1997-2000

One of only three players in Vanderbilt history to return both a punt and kickoff for a touchdown, Jimmy Williams earned All-SEC honors in 1998, his first year as a starting cornerback. In 1997, Williams was a Freshman All-SEC pick as a starting running back who led the Commodores in rushing and receiving. After moving to defense, Williams was among the team's interception leaders three straight years and still ranks among the team's all-time interception leaders, also leading the team in kickoff returns three straight years. Drafted by the Buffalo Bills, he played six years in the NFL with San Francisco and Seattle before an injury forced his retirement. After his playing career, he started the Intercepting Our Youth Foundation to benefit youth in his hometown of Baton Rouge.

THIS IS THE SOUTHEASTERN CONFERENCE

• Since its formation in 1933, the SEC has directed and organized interscholastic athletic competitions, conducted tournaments and prescribed eligibility rules for student-athletes. The Conference also facilitates and assists its member institutions in maintaining intercollegiate athletic programs compatible with the highest standards of education and competitive sports.

• The Southeastern Conference crowns champions in 21 sports - 12 women's sports and nine men's sports. They include baseball, men's and women's basketball, men's and women's cross country, equestrian, football, men's and women's golf, gymnastics, soccer, softball, men's and women's swimming and diving, men's and women's tennis, men's and women's indoor and outdoor track and field, and volleyball.

• In the fall of 2012, the University of Missouri and Texas A&M University became the 13th and 14th members of the Southeastern Conference. It marked the first expansion for the SEC since 1991 and the second-ever increase for the league since its founding in 1933.

• The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

• The Southeastern Conference has developed a database of minority football coaches in NCAA Football Bowl Subdivision and the NCAA Football Championship Subdivision since 2002. The 2012 database contained the names of 527 head and assistant football coaches from all 124 NCAA Football Bowl Subdivision universities and 73 NCAA Football Championship Subdivision institutions. The SEC began the 2013 football season with two minority head football coaches - James Franklin (Vanderbilt) and Kevin Sumlin (Texas A&M).

ACADEMIC ACHIEVEMENTS

• The Southeastern Conference had 39 Capital One Academic All-Americans in 2012-13. The league had 16 student-athletes earn first-team honors. The Capital One Academic All-America Teams are voted on by the College Sports Information Directors of America (CoSIDA). The 39 student-athletes represent 11 of the SEC 14 schools while nine schools had at least one person on the first-team. Since 2003, the SEC has had 186 student-athletes earn first-team Capital One Academic All-America status.

• The 16 SEC student-athletes who earned Capital One Academic All-America first-team status in 2012-13 were: Florida swimmer Elizabeth Beisel, Alabama softball player Kayla Braud, Arkansas football player Dylan Breeding, LSU track & field athlete Laura Carleton, Tennessee softball player Raven Chavanne, South Carolina baseball player LB Dantzler, Tennessee swimmer Kelsey Floyd, Alabama gymnast Kim Jacob, Alabama football player Barrett Jones, Missouri softball player Jenna Marston, Alabama golfer Stephanie Meadow, Auburn swimmer Kyle Owens, Kentucky men's soccer player Tyler Riggs, Missouri softball player Chelsea Thomas, Florida track & field athlete David Triassi and Alabama golfer Cory Whitsett.

• The SEC had four of its student-athletes earn Capital One Academic All-American of the Year in their respective sports - Florida swimmer Elizabeth Beisel (at-large); Tennessee softball player Raven Chavanne, South Carolina baseball player LB Dantzler and Alabama football player Barrett Jones.

• The Southeastern Conference had 22 of its student-athletes earn NCAA Postgraduate Scholarships in 2012-13. The scholarships are awarded to student-athletes who excel academically and athletically and who are at least in their final year of intercollegiate athletic competition. The SEC NCAA Postgraduate Scholarship recipients are: Kayla Braud, Alabama (Softball); Raven Chavanne, Tennessee (Softball); Austin Cook, Arkansas (Men's Golf); Noel Couch, Georgia (Gymnastics); Stewart Ferguson, Auburn (Men's Swimming & Diving); Kelsey Floyd, Tennessee (Women's Swimming & Diving); Maria Foehse, Alabama (Women's Tennis); Kelsey Horton, Florida (Softball); Henry Janghanel, Kentucky (Rifle); Max Lang, Florida (Men's Track & Field); Jenna Marston, Missouri (Softball); Cameron Martin, Florida (Men's Swimming & Diving); Thomas McCarthy, Kentucky (Baseball); Nathan McCormick, Missouri (Wrestling); Chelsea Oswald, Kentucky (Women's Cross Country); Kyle Owens, Auburn (Men's Swimming & Diving); Alexis Paine, Alabama (Women's Track & Field); Ashley Priess, Alabama (Gymnastics); Hope Robbins, Arkansas (Softball); Indy Roper, Auburn (Equestrian); Ashley Sledge, Alabama (Gymnastics); Max Storms, Missouri (Men's Cross Country).

• The SEC also had two of its student-athletes - Alabama gymnast Ashley Sledge and Texas A&M football player Steven Terrell - earn NCAA Ethnic Minority and Women's Enhancement Scholarships.

• The SEC had two student-athletes awarded the NCAA Today's Top VIII - the only conference with multiple winners. The SEC's recipients were Brooke Pancake, Alabama (Women's Golf) and Wendy Trott, Georgia (Women's Swimming & Diving). The award recognizes eight current student-athletes

who will have completed their athletics eligibility for their successes on the fields and courts, in the classroom and in the community.

• The SEC also had five student-athletes earn the NCAA Elite 89 award, which is given to the student-athlete with the highest cumulative GPA at the finals site for each of the NCAA championships. The 2012-13 SEC recipients were: Kim Jacob, Alabama (Gymnastics); Chelsea Oswald, Kentucky (Women's Indoor Track & Field); Brent Sterling, Tennessee (Men's Swimming & Diving); Cory Whitsett, Alabama (Men's Golf); and Emily Zabor, Alabama (Women's Tennis).

• The SEC has had eight student-athletes win the William V. Campbell Trophy given by the National Football Foundation. Since the inaugural award in 1990, the SEC has had more recipients than any other conference. The award, nicknamed the "Academic Heisman" goes to college football's top scholar-athlete. In 2012, Alabama's Barrett Jones was the SEC's eighth recipient of the trophy. In 2009, Florida's Tim Tebow won the honor. LSU's Rudy Niswanger won the honor in 2005, Tennessee's Michael Munoz claimed the award in 2004, Matt Stinchcomb of Georgia in 1998, Tennessee's Peyton Manning in 1997, Florida's Danny Wuerffel in 1996 and Brad Culpepper of Florida in 1991 was the league's first recipient.

• More than 3,100 student-athletes were named to the SEC Academic Honor Roll in 2012-13. Members of the SEC Academic Honor Roll must have a 3.0 grade point average for either the previous academic year or his/her academic career at the SEC institution. The number represents almost half of the student-athletes that competed in the SEC last year.

FOR THE STUDENT-ATHLETE

• Alabama football player Barrett Jones and Kentucky cross country/ track & field athlete Chelsea Oswald were named recipients of the 2012-13 H. Boyd McWhorter Southeastern Conference Scholar-Athletes of the Year Awards. The McWhorter Scholar-Athlete Award is the highest honor a student-athlete can receive in the SEC. Each McWhorter Scholar-Athlete Award recipient receives a \$15,000 postgraduate scholarship, while 26 other finalists for the award receive a \$7,500 post-graduate scholarship.

• Missouri swimmer Joseph Hladik and Kentucky golfer Megan Moir were named recipients of the 2012-13 Brad Davis SEC Community Service Post-Graduate Scholarship. Each Community Service Leader of the Year receives a \$10,000 post-graduate scholarship while 26 other finalists for the award receive a \$5,000 post-graduate scholarship.

• The SEC was the first conference in the nation to assemble a Student-Athlete Advisory Committee. Two representatives from each of the SEC member schools are selected to serve on the committee which meets twice a year to discuss issues of concern to the student-athlete.

COMPLIANCE AND EDUCATION

• The 2004 SEC Task Force Committee on Compliance and Enforcement's report of recommendations represents an important step in establishing a new standard of compliance excellence within the Southeastern Conference. Among the recommendations included in this report is how institutions will handle reports of allegations, strengthening the relationship between the league's institutions and the conference office, developing new orientation programs and establishing an annual review of compliance issues.

• The SEC conducts a New Coaches Orientation Program three times a year, which supplements institutional orientation programs and enhance the professional development of coaches. Topics of discussion range from the role of the SEC and NCAA to the role of athletics in higher education.

THIS IS THE SOUTHEASTERN CONFERENCE

SPORTSMANSHIP

The SEC has implemented sportsmanship policies meant to strengthen the league's commitment to these principles. The league also developed a sportsmanship statement for its institutions to follow. It states:

"Coaches and student-athletes of a member institution, as well as individuals employed by or associated with that institution, including alumni, fans, patrons and boosters, shall conduct themselves with honesty and good sportsmanship. Their behavior shall at all times reflect the high standards of honor and dignity that characterize participation in the collegiate setting.

"For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, coaches, student-athletes and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation but also in the broad spectrum of activities affecting the athletics program.

"It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating on a continuing basis all constituencies about these policies."

The SEC has an annual Sportsmanship Award that will be awarded to one male and one female student-athlete. Voted on by the league's athletics directors, the award honors student-athletes who, through their actions in the competitive arena of intercollegiate athletics, have demonstrated one or more of the ideals of sportsmanship, including fairness, civility, honesty, unselfishness, respect and responsibility. The recipients of the 2012-13 award were Georgia women's tennis player Maho Kowase (female) and the South Carolina and Tennessee football teams (male).

IN THE COMMUNITY

The SEC and its member institutions have partnered with the 11-state Special Olympics organizations in the SEC region. The relationship is featured on public service announcements aired on SEC telecasts, and Special Olympics participate in the Dr Pepper SEC FanFare, held in conjunction with the SEC Football and Basketball Championships.

The SEC and its corporate sponsors host youth clinics each year in conjunction with several conference events, including the football championship game, the men's basketball tournament, the baseball tournament and the soccer tournament. These clinics provide children from host cities the opportunity to receive instruction from SEC and other area coaches.

The SEC selects a Community Service Team in each of its 21 sports. The Community Service Team features a representative from each institution who has shown a commitment to community service.

SEC NATIONAL CHAMPIONSHIPS HISTORY

The Southeastern Conference won seven national championships in 2012-13: Football (Alabama), Men's Golf (Alabama); Men's Indoor Track & Field (Arkansas); Men's Outdoor Track & Field (Florida/Texas A&M); Equestrian (Auburn); Gymnastics (Florida); Women's Swimming & Diving (Georgia).

The SEC also a national runner-up finish in six sports including: Baseball (Mississippi State); Equestrian (Georgia); Men's Indoor Track & Field (Florida); Women's Outdoor Track & Field (Texas A&M); Women's Tennis (Texas A&M) and Softball (Tennessee).

The SEC became the first conference in history to win the national football championship (Florida), the national women's basketball championship (Tennessee) and the national men's basketball championship (Florida) in the same year (2006-07 academic year).

In its history, the SEC has won 203 national championships, 118 men's and 85 women's titles. Since 2000, the SEC has won 87 national crowns, including 46 men's titles and 41 women's titles.

In the "big three" men's sports – football, basketball and baseball, the SEC has won 13 national championships during the last seven academic years. The league has won seven consecutive football national championships.

Since 2006, the SEC has had a national champion in 15 of its 21 sponsored sports – football, men's basketball, baseball, men's indoor track & field, men's outdoor track & field, women's outdoor track & field, women's swimming & diving, gymnastics, women's tennis, men's tennis, men's swimming and diving, equestrian, women's golf, softball and women's basketball.

FOR THE FANS

For the 32nd straight season, the SEC recorded the largest total football attendance of any conference in the country. The league has led in average attendance during the last 15 consecutive seasons. More than 7.5 million fans attended SEC football games in 2012 while stadiums were filled to

96.2 percent of capacity.

The SEC had nearly 2.5 million fans attend its home basketball games during the 2012-13 season. In 240 home contests, SEC teams averaged 10,629 fans per game. Kentucky again led the nation in attendance, averaging 23,099 fans per contest. Tennessee was seventh in the nation, averaging 16,635 fans per game.

Year after year, the SEC is the leader in college baseball attendance. In 2013, for the third consecutive year, the SEC's institutions drew more than 2 million fans, with a nation-leading attendance total of 2.25 million fans. The SEC averaged nearly 5,000 fans per game (4,965) in 2013. The SEC and its member schools own virtually all regular season, conference tournament, NCAA Regional and Super Regional attendance records.

SECU - COMMITMENT TO THE UNIVERSITY ACADEMIC MISSION

Using its SECU academic initiative, the Southeastern Conference sponsors, supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. SECU is led by the president or chancellor of each SEC university and is managed by the chief academic officer. The goals of the SECU initiative include highlighting the endeavors and achievements of SEC faculty and universities; advancing the merit and reputation of SEC universities outside of the traditional SEC region; identifying and preparing future leaders for high-level service in academia; increasing the amount and type of education abroad opportunities available to SEC students; and providing opportunities for collaboration among SEC university personnel.

The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has two components, a university-level development program designed by each institution for its own participants (i.e., fellows), and two, three-day, SEC-wide workshops held on specified campuses for all program participants. It was created in 2008 and has commissioned four cohorts.

The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research, scholarship and service. There is one winner per campus and one overall winner for the Conference. All receive an honorarium and memento. The top recipient is honored during the annual SEC Awards Dinner in Destin, Florida.

The SEC Faculty Travel Grant Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty members from each SEC university the opportunity to travel to other SEC universities to exchange ideas, develop grant proposals, and conduct research.

The SEC Symposium is an academic conference-type event intended to address a scholarly issue in an area of strength represented by all SEC universities, and to provide an opportunity to attract leading scholars from other institutions in the United States and abroad. Held in Atlanta, Georgia, this marquee event puts on display the research and innovation of SEC institutions for an audience of academics, government officials, grant funding agents and other stakeholders.
