2014 SEC Football

SEC FOOTBALL (2006-13) ... SECOND TO NONE

During the last eight years (2006-13), Southeastern Conference football has experienced success that is unparalleled in its football history and in the history of college football. During this tenure, the SEC's achievements have been demonstrated by:

- Triumphs in BCS bowl games, including the BCS National Championship Game
- Non-conference success in regular season and bowl games
- Defeating highly-ranked non-conference teams
- Success in the polls and rankings
- Individual awards and All-America Teams
- Academic and Community Service Standouts
- Continued accomplishments of former SEC student-athletes in the NFL

SEC IN THE BCS ERA

• The SEC has won seven of the last eight national championships, nine of the 16 BCS National Championships, two runner-up finishes and 23 overall national titles (AP, BCS, FWAA, coaches poll). The SEC appeared in 10 of the 16 BCS Championship Games, winning nine.

• Four different SEC schools have won the BCS National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012; Florida, 2006 and 2008; LSU, 2007). Tennessee (1998) and LSU (2004) have also won the BCS crown. Auburn also appeared in the 2013 BCS Championship Game. A team from the SEC Western Division has advanced to five consecutive national championship games. The Big 12 (Texas and Oklahoma) and the ACC (Miami and Florida State) have each had two schools win titles since 1998.

• Since 2006, more than half of the slots in the BCS National Championship Game have been taken by SEC teams (10 of 18). The Big Ten and the Big 12 have two each, while the ACC and Pac-10 each have one.

• An SEC team has led or tied for the lead at the end of 27 of the last 32 quarters of BCS National Championship Game play.

• Since 2006, an SEC team has been ranked first in the weekly BCS standings in 36 of the 65 weeks, with four different teams holding the top spot. Florida was first for seven weeks, Alabama for 16 weeks, Auburn for three and LSU for 10 weeks, including six of the nine polls this season. The Big Ten has held the top spot for 15 weeks (all Ohio State), the Big 12 for six weeks (Texas and Oklahoma twice, Missouri and Kansas State once) and the Pac-10 four weeks (all Oregon). The ACC (Florida State) held the top spot in the final poll in 2013.

• The SEC has had more teams ranked in the BCS standings for the most times than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. The SEC breakdown: LSU (62), Alabama (52), Florida (41), Auburn (38), South Carolina (38), Georgia (35), Arkansas (23), Texas A&M (17), Tennessee (14), Mississippi State (12), Missouri (9), Kentucky (4) and Ole Miss (4). Vanderbilt is the only team to not appear in the BCS rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS does not produce a poll following bowl games.

• Since 2006, the SEC has posted a 10-6 record in BCS bowl games, more wins than any other conference. Here are the BCS bowl records of all conferences since 2006:

SEC	10-6	.625
Pac-12	7-4	.636
AAC	5-3	.625
Big 12	5-7	.417
Big Ten	5-9	.357
ACC	4-6	.400
Mountain West	2-1	.667
WAC	2-1	.667
MAC	0-1	.000
Independents	0-2	.000

• Three of the top nine defensive performances in BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in BCS history. Georgia defeated Hawaii, 41-10, in the 2008 Sugar Bowl, and Florida defeated Syracuse, 31-10, in the 1999 Orange Bowl - both are tied for 7th in lowest point total allowed in a BCS game.

• Alabama's 28-point victory over Notre Dame in the 2013 Discover BCS National Championship is the second-largest in the BCS era. (Southern Cal defeated Oklahoma by 36 in the 2005 BCS Championship Game for the top spot, however, that victory was later vacated.)

• During the recent seven-year winning streak, the SEC's average margin of victory in BCS National Championship Games is 17 points, which includes a three point victory over Oregon in 2011, the only game during the streak decided by single digits.

SEC IN OVERALL BOWL GAMES

• Since 2006, the SEC has accrued more bowl wins (49) and appearances (83) than any other conference. The conference's .671 bowl winning percentage is first among FBS leagues during that time.

SEC	49-24	.671
American	28-15	.651
Mountain West	24-16	.600
Sun Belt	11-8	.579
Pac-12	26-19	.578
Big 12	32-30	.516
Conference USA	22-23	.489
Independents	8-9	.471
ACC	28-39	.418
Big Ten	21-40	.344
MAC	10-28	.263

• In the 2013-14 bowl season, the SEC had the most wins (7) and had the second highest win percentage (7-3, .700), first among conferences that had three-or-more teams in bowl games. The seven victories tied the SEC's own record for most bowl wins in history by a single conference.

• In January bowl games, the SEC is 31-15 (.674) against non-conference competition. Since 2008, the league is 25-11 (.694) against non-conference foes in January bowl games.

SEC vs. OTHER CONFERENCES

• Since 2006, the SEC has posted the highest non-conference winning percentage (regular season & bowls) than any other conference. The league has a 387-86 record, an 81.8 winning percentage. The SEC has won no less than 43 non-conference games (regular season & bowls) during the last eight seasons (2006-2013). This season, the SEC was 54-12 (.818), the highest percentage among FBS conferences.

• Teams from the SEC have posted 48 wins in the last seven years against non-conference Top 25 teams (at time game was played), an average of six wins per season. Ten of the 14 SEC teams have at least one win against a non-conference Top 25 team in the last seven years with LSU (9), Georgia (8), Alabama (7), Florida (5), South Carolina (7) Auburn (3) and Texas A&M (2) leading the way. SEC teams have beaten teams ranked 1-25 since 2006 with the exception of No. 6.

- The 101 combined points is a game record, smashing the 73 done in 2010 (Auburn 56, South Carolina 17). The 55 combined first half points was also a record, bettering the 42 done in that same game. The halftime total was more than the combined total of 15 previous championship games.

- Auburn's Tre Mason set three individual championship game rushing marks.
- His 304 rushing yards bettered the 201 set by LSU's Justin Vincent in 2003. The 304 yards is also the fifth-highest total in conference.

- His 46 rushing attempts bettered the 31 set by Tennessee's Jamal Lewis in 1997. That total is the second-most in SEC history trailing only the 47 by Georgia's Herschel Walker against Florida in 1981.

- His four rushing touchdowns broke Alabama's Mark Ingram's 2009 total and the most scores in the game with Florida's Reidel Anthony in 1996 and LSU's Kenny Hilliard in 2011 who had three each.

SEC CHAMPIONSHIP GAME

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

1. **Two-Team Tie.** In the event two teams are tied for a division title, the following procedure will be used in the following order:

- A. Head-to-head competition between the two tied teams;
- B. Records of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division;
- G. Best cumulative Conference winning percentage of non-divisional opponents;

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2
 Western 2 Eastern Opponents: 12-4
 (Western 1 would be the representative)

H. Coin flip of the tied teams.

2. **Three-Team Tie (or more).** If three teams (or more) are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- A. Combined head-to-head record among the tied teams;
- B. Record of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall Conference record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- G. Best cumulative Conference winning percentage of non-divisional opponents

(Note: If two teams' non-divisional opponents have the same cumulative record, then the two-team tiebreaker procedures apply. If four teams are tied, and three teams' non-divisional opponents have the same cumulative record, the three-team tiebreaker procedures will be used beginning with 2.A.);

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2
 Western 2 Eastern Opponents: 12-4
 Western 3 Eastern Opponents: 8-8
 (Western 1 would be the representative)

H. Coin flip of the tied teams with the team with the odd result being the representative (Example: If there are two teams with tails and one team with heads, the team with heads is the representative).

Their behavior shall at all times reflect the high standards of honor and dignity that characterize participation in the collegiate setting.

"For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, coaches, student-athletes and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation but also in the broad spectrum of activities affecting the

SECU - COMMITMENT TO THE UNIVERSITY ACADEMIC MISSION

• Using its SECU academic initiative, the Southeastern Conference sponsors, supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. SECU is led by the president or chancellor of each SEC university and is managed by the chief academic officer. The goals of the SECU initiative include highlighting the endeavors and achievements of SEC faculty and universities; advancing the merit and reputation of SEC universities outside of the traditional SEC region; identifying and preparing future leaders for high-level service in academia; increasing the amount and type of education abroad opportunities available to SEC students; and providing opportunities for collaboration among SEC university personnel.

• The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has two components, a university-level program and two, three-day, SEC-wide workshops held on specified campuses for all participants.

• The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and scholarship. There is one winner per campus and one overall winner for the Conference.

• The SEC Faculty Travel Grant Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals and conduct research.

• The SEC College Tour occurs each spring, and administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.

• The SEC Symposium is an academic conference-type event intended to address a scholarly issue in an area of strength represented by all SEC universities. Held in Atlanta, Georgia, this marquee event puts on display the research and innovation of SEC institutions for an audience of academicians, government officials, grant funding agents and other stakeholders.

• The SEC Cooperative Education Abroad Agreement provides opportunities for students from all SEC universities to access international programs offered at other SEC universities. And as part of a renewable agreement, Italian engineering students from the Politecnico di Torino (PdT) have the opportunity to enroll at SEC universities each fall, and engineering SEC students may study there the following spring.

• The SEC MBA Case Competition is an opportunity for SEC business schools to showcase their students' skills at solving simulated, real-world problems that cover the spectrum of business disciplines. The competition is held on one SEC campus and teams of four MBA students compete against other SEC teams, the best receiving various awards and recognition.

• The SEC Academic Collaboration Grant Program is intended to expand student-focused collaboration among SEC universities. The grant is awarded annually to one SEC institution to support joint activities involving all other SEC universities. Examples of collaborative activities include intra-conference competitions, graduate student recruiting fairs, undergraduate research initiatives, etc.

COLLEGE FOOTBALL PLAYOFF

Beginning with the 2014-15 season, college football will enter a new four-team playoff era. The format is simple: the best four teams, two semifinals played in bowl games and a championship game played in a different city each year. It's the best of all worlds and the biggest innovation in the sport in decades.

Every Game Counts

The new playoff preserves the excitement and significance of college football's unique regular season where every game counts.

The Best Four Teams

The selection committee will choose the four teams for the playoff based on body of work, strength of schedule, head-head results, comparison of results against common opponents, championships won and other factors.

Best of All Worlds

The new postseason structure creates an exciting four-team playoff that preserves the best regular season in sports and protects America's rich bowl tradition. It goes just the right distance and respects the academic calendar while limiting the number of games played by student-athletes.

A New Year's Spectacular

Fans will enjoy back-to-back triple headers. Two semifinals and four other premier bowl games will be played on New Year's Eve and New Year's Day. Those holidays will belong to college football. Semifinal games will rotate among six different bowls, extending the experience to more fans.

Championship Monday

The championship game will be on Monday night every year.

Site Selection

The Management Committee will select cities to host the National Championship Game. A city can host a bowl game and the championship game in the same year. A city cannot, however, host a semifinal and championship game in the same year.

Universal Access

Every FBS team will have equal access to the playoff based on its performance. No team will qualify automatically.

More Revenue

The popularity of the new format will increase revenue for all conferences and independent institutions.

Conferences Manage the Event

The FBS conferences will manage the College Football Playoff. All 10 conferences are members of the new entity--CFP Administration, LLC. University presidents and chancellors from all 10 conferences and Notre Dame form the Board of Managers and will govern the administrative operations, with commissioners (the Management Committee) and managing the event with guidance from an advisory group of athletics directors. A small staff in the playoff's office in Irving, Texas, will carry out the detailed responsibilities.

Selection Committee

A talented group of high-integrity individuals with experience as coaches, student-athletes, collegiate administrators and journalists, along with sitting athletics directors, comprise the selection committee. The group will meet in person several times each year.

Selection Committee Responsibilities

- Select the top four teams for the playoff, rank them and assign them to semifinal sites.
- Rank the next group of teams to play in other New Year's bowls if berths are available.
- Select the highest-ranked champion from the five conferences without New Year's bowl contracts.
- Assign teams to New Year's bowls
 - Create competitive matchups
 - Attempt to avoid rematches of regular-season games and repeat appearances
 - Consider geography

Participants in the Orange, Rose and Sugar Bowls

Both participants in these three bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against a contracted opponent.) If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in the other New Year's bowls.

Participants in the New Year's Bowls (Fiesta, Cotton, Atlanta)

- Displaced conference champions and the top-ranked champion from a non-contract conference
- Highest-ranked available teams will fill any other berths
