2013 NCAA DIVISION I WOMEN'S TENNIS CHAMPIONSHIPS
SINGLES AND DOUBLES SELECTIONS

INDIANAPOLIS--The NCAA Division I Women's Tennis Subcommittee has selected the 64 singles players and 32 doubles teams that will compete in the 2013 NCAA Division I Women's Tennis Championships.

The singles and doubles competition will be conducted May 22-27 at the Khan Outdoor Tennis Complex/Atkins Tennis Center in Urbana, Illinois, following the conclusion of the team championship, which runs from May 17-21. The University of Illinois, Champaign will serve as host.

All matches shall be the best of three sets. Regular scoring and a 12-point tiebreaker at six games all will be used for all matches.

Automatic qualification into the Division I singles championships is awarded to any conference with one or more eligible singles players ranked in the ITA Top 125 for eligible/entered singles players. For conferences with more than one singles player within the ITA Top 125 eligible/entered singles players, the subcommittee applies the NCAA selection criteria to determine which student-athlete is the automatic qualifier from those conferences. All singles players must have a minimum of 13 completed singles matches, with six matches in the spring, in order to be selected as an automatic qualifier or an at-large selection.

Automatic qualification into the Division I doubles championships is awarded to any conference with one or more eligible doubles teams ranked in the ITA Top 60 for eligible/entered

doubles teams. For conferences with more than one doubles team within the ITA Top 60 eligible/entered doubles teams, the subcommittee applies the NCAA selection criteria to determine which doubles team is the automatic qualifier from those conferences. All doubles teams must have a minimum of 10 completed doubles matches, with five matches in the spring, in order to be selected as an automatic qualifier or an at-large selection.
