SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards. The Southeastern Conference has used instant replay since 2005.

THE PLAYSReviewable

1. Plays governed by Sideline, Goal Line, End Zone, and End Line:
 - a. Scoring Plays, including the ball in possession of a runner breaking the plane of the goal line
 - b. Runner/receiver in or out of bounds
 - c. Recovery of loose ball in and out of bounds
2. Passing Plays:
 - a. Pass ruled complete/ incomplete/ intercepted in the field of play and end zones
 - b. Touching of a forward pass by a player or an official
 - c. Illegal forward pass or illegal handing off beyond the line of scrimmage
 - d. Illegal forward pass or illegal handing off after change of possession
 - e. Forward or backward pass thrown from behind the line of scrimmage
 - f. Quarterback (Passer) starts arm forward, ball comes loose and play is ruled incomplete (if ball is quickly recovered)
 - g. Quarterback (Passer) throws incomplete swing pass that is close to being forward or backward, and pass is ruled forward (if ball is quickly recovered)
3. Miscellaneous:
 - a. Runner ruled not down.
 - b. Runner ruled down (when ball carrier is judged down by rule and the ball is fumbled, play may be reviewed if recovery of ball occurs in the immediate action following fumble and is prior to any official signaling ball is dead. Also reviewable when runner is ruled out of bounds near goal line.)
 - c. Forward progress with respect to first down
 - d. Touching of a kick
 - e. Number of players on field
 - f. Clock adjustments (in conjunction with reviewed plays)
 - g. Fourth-down/try fumble plays
 - h. Field Goal Attempts (only when ball is ruled below or above the crossbar, inside or outside the uprights when it is lower than the top of the uprights.)

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by XOS Digital. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the XOS Digital Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Five onfield officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

SEC BOWL AGREEMENTS

The Southeastern Conference has agreements to send nine of its member institutions to postseason bowl games following the 2010 season.

The winner of the SEC Championship Game will automatically participate in the Bowl Championship Series comprised of the Sugar, Rose, Orange and Fiesta Bowls.

The Capital One Bowl has the second selection, making its pick following the BCS selections. The bowl must select the team with the next best overall record or a team that is within one win of the team with the next best overall record.

The AT&T Cotton and the Outback Bowls share the third and fourth selections from the SEC. The Cotton Bowl has the first preference of teams from the Western Division and the Outback Bowl has first preference of teams from the Eastern Division. The Cotton or Outback Bowl can select teams outside of its divisional preference, but must not select them before the opposite bowl selects from its divisional preference.

The Chick-fil-A Bowl has the fifth selection of preference from the SEC.

New to the SEC bowl rotation this year, the Gator Bowl has the sixth selection from the SEC.

The Franklin American Mortgage Music City Bowl has the seventh selection from the SEC.

In selections 8-9, the AutoZone Liberty and Birmingham Bowls share the selection over the four-year agreement.

2010 BOWL CHAMPIONSHIP SERIES SCHEDULE

Following the 2010 college football regular season, the Bowl Championship Series will determine the National Championship. The BCS National Championship Game, which will stand alone from the four traditional BCS bowls but will be hosted by each of the bowls once during a four-year cycle.

The BCS consists of the Discover Orange, Allstate Sugar, Rose Bowl Game, Tostitos Fiesta Bowl and the Tostitos BCS National Championship Game. The conferences with automatic berths include the Atlantic Coast, Big East, Big Ten, Big 12, Pac-10 and Southeastern Conferences.

ESPN will televise all of the Bowl Championship Series games.

The Bowl Championship Series guarantees a matchup between college football's top two teams in a true national championship game.

The BCS uses regional consideration regarding team selection. Specifically, as a member of the BCS, the Rose Bowl will host the Big Ten and Pac-10 champions in those years in which either the Rose Bowl does not have the national championship game or the Big Ten and Pac-10 champion is not ranked No. 1 or No. 2.
