* There's one thing that makes our scientists great - they don't care about the laws of science. The 2014 Voodoo Overlord was designed for unfathomable, explosive power. Our new breakthrough 2 piece D-Fusion handle allows us to crank up the performance of the barrel while improving feel. Our Carbon Reinforced Paradox Composite Handle is stiffer for ultimate energy transfer between barrel and ball. While our patented ThermoFused Taper enhances an already explosive X10 Alloy barrel by containing energy in the barrel where it belongs - Propelling the ball on impact and limiting negative feedback to hands. More explosive and powerful than ever, the night before games, the Overlord is what will keep opponents up.
