# USA BASEBALL

Vanderbilt baseball has a strong relationship with USA Baseball and its National Team. The past two seasons, the Commodores have had the most players represented on the squad, featuring the top players in college baseball. Three players, Pedro Alvarez, David Price and Casey Weathers led the 2006 team to the World University Championship in Havana, Cuba. Tim Corbin managed that club which finished the summer 28-2-1, the best ever win percentage for the National squad. Alvarez was joined by Ryan Flaherty and Mike Minor on the 2007 team that finished with a silver medal at the Pan American games in Rio de Janeiro, Brazil.
