## SEC FOOTBALL VIDEO REPLAY

### THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

### THE COACHES' CHALLENGE

A new rule expands the ability of a head coach to challenge a reviewable play on the field. The head coach now retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling.

### THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game (CBS Sports, ESPN, ESPN2, Raycom Sports) or other TV production facilities that meet established conference standards. The Southeastern Conference has used instant replay since 2005.

### THE PLAYS

#### Reviewable

1. Plays governed by Sideline, Goal Line, End Zone, and End Line:
  - a. Scoring Plays, including a runner breaking the plane of the goal line
  - b. Pass complete/incomplete/intercepted at sideline, goal line and end line
  - c. Runner/receiver in or out of bounds
  - d. Recovery of loose ball in and out of bounds
2. Passing Plays:

  - b. Touching of a forward pass by an ineligible receiver
  - c. Touching of a forward pass by a defensive player
  - d. Quarterback (Passer) forward pass or fumble (if ruled incomplete, play is finalized)
  - e. Illegal forward pass or illegal handing off beyond the line of scrimmage
  - f. Illegal forward pass or illegal handing off after change of possession
  - g. Forward or backward pass thrown from behind the line of scrimmage
3. Other Detectable Infractions:
  - a. Runner ruled not down.
  - b. Runner ruled down (new in 2008 / when ball carrier is judged down by rule and the ball is fumbled, play may be reviewed if recovery of ball occurs in the immediate action following fumble and is prior to any official signaling ball is dead. Also reviewable when runner is ruled out of bounds near goal line.)
  - c. Forward progress with respect to first down
  - d. Touching of a kick
  - e. Number of players on field
  - f. Clock adjustments (in conjunction with overturned plays)
  - g. Fourth-down/try fumble plays

### THE PROCESS

Each SEC football stadium has a secured replay booth equipped with a DVSPORT Digital Replay System. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official is selected and assigned by the Conference Office.

A live video feed is sent directly to the replay booth. The Technician watches the feed on an input monitor while capturing/digitizing it into the DVSPORT Digital Replay System. The Technician also marks the beginning of each play as well as any replays as they occur in real time.

Each play and subsequent replay then appears on a touch screen in front of the Communicator. As the Technician marks the incoming video, each view (by mark) will appear as a small picture on the computer touch screen. At any time, the Communicator can touch/click on a thumbnail and immediately send that play/replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a remote device controlled by the Replay Official. All replays/video are viewed on an output monitor. The touch screen is only used to select the replays.

While most plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Five onfield officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

### THE EQUIPMENT

Each SEC member institution uses the Digital Replay System developed by DVSPORT of Pittsburgh, Pa. The replay systems are maintained by the home institution with technical support from DVSPORT.

**SEC BOWL AGREEMENTS**

The Southeastern Conference has agreements to send nine of its member institutions to postseason bowl games following the 2008 season. The winner of the SEC Championship Game will automatically participate in the Bowl Championship Series comprised of the Sugar, Rose, Orange and Fiesta Bowls.

The Capital One (2nd), will then make its pick following the BCS selections. The bowl must select the team with the next best overall record or a team that is within one win of the team with the next best overall record.

The Outback, Chick-fil-A and AT&T Cotton Bowls will work with the conference office to determine picks 3-5. The Cotton Bowl has the first preference of teams from the Western Division and the Outback Bowl has first preference of teams from the Eastern Division. The Cotton or Outback Bowl can select teams outside of its divisional preference, but must not select them before the opposite bowl selects from its divisional preference. The Chick-fil-A Bowl has the selection of preference following the Cotton and Outback Bowls.

In selections 6-7, the AutoZone Liberty and Gaylord Hotels Music City Bowls will make their selections, not in any specific order, but in consultation with the SEC Office. The Bowls will rank available qualified teams in order of preference. If there are no similarities in the order of selection, the bowls will be granted its selection. If the bowls rank the same teams in preference, the team involved in the process would get its preference of which bowl to participate.

The Independence Bowl will receive the eighth selection and the Papajohns.com Bowl will have the ninth pick of available SEC teams.

**2009 BOWL CHAMPIONSHIP SERIES SCHEDULE**

Following the 2008 college football regular season, the Bowl Championship Series will determine the National Championship. The BCS National Championship Game, which will stand alone from the four traditional BCS bowls but will be hosted by each of the bowls once during a four-year cycle.

The BCS consists of the FedEx Orange, Allstate Sugar, Rose presented by Citi, Tostitos Fiesta Bowl and the Allstate BCS National Championship Game. The conferences with automatic berths include the Atlantic Coast, Big East, Big Ten, Big 12, Pac-10 and Southeastern Conferences.

FOX Sports will televise all of the Bowl Championship Series games, with the exception of the Rose Bowl, which will be televised by ABC Sports.

The Bowl Championship Series guarantees a matchup between college football's top two teams in a true national championship game.

At the conclusion of the 2008 regular season, the FedEx BCS National Championship Game will be hosted in Miami on Jan. 8 at 8 p.m. EST. The FedEx BCS National Championship Game will have the top two teams ranked in the BCS final regular season standings.

The BCS uses regional consideration regarding team selection. Specifically, as a member of the BCS, the Rose Bowl will host the Big Ten and Pac-10 champions in those years in which either the Rose Bowl does not have the national championship game or the Big Ten and Pac-10 champion is not ranked No. 1 or No. 2. Other "regional consideration" tie-ins include the SEC champion in the Sugar Bowl, the ACC champion in the Orange Bowl and the Big 12 champion in the Fiesta Bowl.

Other BCS games following the 2008 regular season include the Rose Bowl on Jan. 1 at 4:30 p.m. EST, FedEx Orange Bowl on Jan. 1 at 8:30 p.m. EST, Allstate Sugar Bowl on Jan. 2 at 8 p.m. EST, and the Tostitos Fiesta Bowl on Jan. 5 at 8 p.m. ET.

**CBS SPORTS** - The 2008 season marks the 12th year for CBS as the league's national network television partner. CBS will televise up to 15 games per year throughout the season. CBS will normally broadcast its SEC games in the late afternoon window beginning at 3:30 p.m. ET. CBS provides exclusive national network broadcasts of conference home games during the season. CBS will televise the SEC Football Championship Game, which will be on Dec. 6 at 4 p.m. ET. The SEC and CBS announced a 15-year extension agreement in August.

**ESPN/ESPN2**, the SEC's national cable provider, may televise up to 18 regular season games each year, with a minimum of nine on ESPN through the season. ESPN GamePlan offers fans extra college football games and is available on television or online. Viewers can order ESPN GamePlan on ESPN.com

(search "GamePlan"), or by contacting their cable or satellite Pay-Per-View provider.

**RAYCOM SPORTS (Formerly Jefferson-Pilot/Lincoln Financial Sports)** will continue its highly successful SEC Football Game of the Week this season. The Charlotte, N.C. company, holds the rights to televise 13 games annually throughout the nine-state SEC region on a syndicated basis. The games will be broadcast in the early afternoon at 12:30 p.m. ET.

**FOX Sports Net South (FSNS), FOX Sports Net Southwest (FSNSW) and SUN Sports (SUN)** together form **SEC-TV**, the league's regional cable package. SEC-TV Weekly airs Thursday nights and Saturday mornings during the season, highlighting all of the SEC's athletic teams and events.

## 2008 SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

**TWO-TEAM TIE.** In the event two teams are tied for a division title, the following procedure will be used in the following order:

- Head-to-head competition between the two tied teams;
- Records of the tied teams within the division;
- Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- Overall record against non-divisional teams;
- Combined record against all common non-divisional teams;
- Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game.

**THREE-TEAM TIE (OR MORE).** If three teams are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- Combined head to head record among the tied teams;
- Record of the tied teams within the division;
- Head to head competition against the team within the division with the best overall Conference record (divisional and non divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- Overall Conference record against non divisional teams;
- Combined record against all common non divisional teams;
- Record against the common non divisional team with the best overall Conference record (divisional and non divisional) and proceeding through other common non divisional teams based on their order of finish within their division; and
- The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game, unless the second of the tied teams is ranked within five-or-fewer places of the highest-ranked tied team. In this case, the head-to-head results of the top two ranked tied teams shall determine the representative in the SEC Championship Game.

## SEC COACHES JOIN FIGHT AGAINST MUSCULAR DYSTROPHY

This Saturday, college football coaches across the country, including all SEC coaches participating on Oct. 25, are joining together to fight one opponent - Duchenne Muscular Dystrophy. By wearing an arm band with the Coach to Cure MD insignia, coaches will show their support for Coach to Cure MD, the American Football Coaches Association's (AFCA) newest charitable project.

Football fans will be able to donate to muscular dystrophy research either online at [CoachToCureMD.org](http://CoachToCureMD.org) or by texting the word "CURE" to 90999 to automatically donate \$5 from their mobile phones.

Duchenne Muscular Dystrophy is the most common fatal genetic disorder diagnosed during childhood. Because the Duchenne gene is found on the X-chromosome, it primarily effects boys and occurs across all races and cultures.

Boys and young men with Duchenne lack dystrophin, a protein critical to the structural stability of muscle fibers. Currently, there is no cure for Duchenne and limited therapeutic options exist.

The AFCA is joining with the Parent Project for Muscular Dystrophy (PPMD) to make Coach to Cure MD a reality and generate support for research using the nationwide, one-day, game-day event.

### THE SOUTHEASTERN CONFERENCE

- The Southeastern Conference sponsors championships in 20 sports - 11 women's sports and nine men's sports. They include baseball, men's and women's basketball, men's and women's cross country, football, men's and women's golf, gymnastics, soccer, softball, men's and women's swimming and diving, men's and women's tennis, men's and women's indoor and outdoor track and field, and volleyball.
- The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

### ACADEMIC ACHIEVEMENTS

- During the last six years, the SEC has had more student-athletes honored as CoSIDA/ESPN The Magazine Academic All-Americans than any other conference. The league has had 211 student-athletes named CoSIDA/ESPN The Magazine Academic All-Americans, including 95 named to the first-team.
- During the last 12 years, the SEC has had 19 winners of the NCAA Today's Top VIII Award, which is given annually to eight outstanding senior student-athletes. Since 1997, no other conference has had as many student-athletes honored with this prestigious award.
- Kentucky's Jacob Tamme was named by the National Football Foundation as a National Scholar-Athlete. During the last six years, the SEC has had 12 student-athletes honored, the most of any conference. LSU's Rudy Niswanger won the Vincent dePaul Draddy Award given by the National Football Foundation in 2005 as the nation's top football scholar-athlete. Niswanger became the sixth SEC student-athlete to claim the "Academic Heisman" since the award was established in 1990.

### FOR THE STUDENT-ATHLETE

- The 12 member institutions of the SEC provide nearly \$65 million in scholarships for the more than 4,200 student-athletes each year.
- The SEC distributed nearly \$675,000 during the 2006-2007 academic year from the NCAA Special Assistance Fund for Student-Athletes. This program was implemented to provide financial aid to student-athletes with specific needs such as clothing and shoes, medical or vision care, academic course supplies and family emergencies.
- During the 2008-09 academic year, the SEC will distribute more than \$1 million to directly benefit student-athletes from the Student-Athlete Opportunity Fund.
- The SEC awards post-graduate scholarships totaling \$130,000 to 24 student-athletes each year. The top male and female nominee each receive the H. Boyd McWhorter Scholar-Athlete Award, named for the league's fourth commissioner, and a \$10,000 scholarship. Last year, 22 additional student-athletes (11 female and 11 male) received \$5,000 to continue their education. Alabama golfer Joseph Sykora and Auburn swimmer Kristen Hastrup were named McWhorter Scholar-Athlete Award winners in 2007-08.
- The SEC has established a Community Service Award to honor a male and female student-athlete with a \$5,000 scholarship for outstanding service in the community. South Carolina football player William Brown and Vanderbilt lacrosse player Brooke Shinaberry were named recipients of this award in 2007-08.

### A LEADER IN WOMEN'S SPORTS

- The SEC has developed a "Principles for Gender Equity," which, calls for each league school to provide equitable funding for women's sports, promotions and marketing and other support services. The SEC currently conducts championships in 11 women's sports and nine men's sports.
- The SEC had three sport winners of the Collegiate Woman of the Year Award sponsored by Honda. Tennessee's Candace Parker won for women's basketball, Katie Heenan of Georgia took top honors in gymnastics and Florida's Carolina Burckle was the top student-athlete in swimming & diving. Parker was the winner of the Honda National Collegiate Woman of the Year honor in 2007-08.
- Since 1987, SEC schools have won 69 NCAA women's national championships, an average of more than three per year in the 11 women's sports the SEC sponsors. Nine of the 12 SEC institutions have won a national women's team championship since 1987.

### COMPLIANCE AND EDUCATION

- The SEC Task Force Committee on Compliance and Enforcement has issued a report of recommendations that represents an important initial step in a formal process of establishing a new standard of compliance excellence within the Southeastern Conference. Among the recommendations included in this report was how institutions will handle reports of allegations, strengthening the relationship between the league's institutions and the conference office, developing new orientation programs and establishing an annual review of compliance issues.
- The SEC also conducts a New Coaches Orientation Program four times a year, which supplements institutional orientation programs and enhance the professional development of coaches. Topics of discussion range from the role of the SEC and NCAA to the role of athletics in higher education.

### SPORTSMANSHIP

- The SEC has developed a sportsmanship statement for its institutions to follow. It states:  
 "Coaches and student-athletes of a member institution, as well as individuals employed by or associated with that institution, including alumni, fans, patrons and boosters, shall conduct themselves with honesty and good sportsmanship. Their behavior shall at all times reflect the high standards of honor and dignity that characterize participation in the collegiate setting. For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, coaches, student-athletes and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation but also in the broad spectrum of activities affecting the athletics program. It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating on a continuing basis all constituencies about these policies."

### IN THE COMMUNITY

- The SEC launched its education initiative in 2002, utilizing the platform of intercollegiate athletics to provide elementary school teachers with relevant resources they can use to educate and prepare children for life. The SEC became the nation's first conference to develop customized educational software, providing a CD-ROM containing SEC-branded content correlating to national educational standards. Since the CD-ROM was produced, the SEC has initiated an online program for K-8 students on education content and character development.
- SECKids.com is a website uniquely designed for school-age students. Now fans of all ages can access exciting, interactive and educational information on the SEC and its universities. SECKids.com features exclusive behind-the-scenes access at championship events, profiles of student-athletes and coaches, along with games and video highlights. Teachers can also register online to utilize the SEC Kids's college software in their classroom. The SEC is the only conference in the country to develop a site of this kind.

### OVERALL ATHLETICS SUCCESS

- In 2007-08, the SEC had 168 teams in 20 sports take part in NCAA post-season play, an average of almost eight teams per sport. Along with those numbers, the league also produced 457 first-team All-Americans, won five team and 46 individual national titles.
- Since 1990, the SEC has won 123 team and 851 individual national championships. Since that time, the SEC has had at least one team ranked in the top five nationally in 76.2 percent of the total sports win which the league has competed (281 of 369). Ten of the SEC's 12 schools have won at least one national championship since 1990.
- In the SEC's 20 sponsored sports since 2000, the SEC has won 55 team titles. The SEC has won team titles in 16 different sports since 2000, the most of any conference.
