February 2019

Meet Our Newest Dore!

Our team welcomed a new member in January thanks to a program called “The Friends of Jaclyn”. 13 year old Bella was welcomed to the team on January 24th. Bella is undergoing treatment at Vanderbilt Children’s Hospital for a rare cancer and tumor on her spinal cord. We had a great time welcoming Bella and her family to our Vanderbilt Lacrosse Family. We got to throw her a birthday party and make friendship bracelets! We will be fighting for her this season and are honored to be a part of her battle.

Follow her story at [facebook.com/bellasbattle](https://www.facebook.com/bellasbattle)

Mark Your Calendars!

- 2004 TEAM RECOGNITION

Alumni can RSVP to lisa.gracey@vanderbilt.edu for the weekend events

ALUMNI SPOTLIGHT

We are excited to feature **Laura Keenan** as our Alumni Spotlight for February. After graduating from Vanderbilt, Laura completed a Master of Public Health at the Johns Hopkins Bloomberg School of Public Health in May and has been working at a health consulting firm called Avalere Health in Washington, DC since graduating. She lives in Adams Morgan and loves all that the area has to offer in terms of culture, entertainment, outdoor activities, and a plethora of great restaurants. Laura said “Collaborating effectively with many kinds of people is critical to success in the business world. Being part of the Vanderbilt Lacrosse team innately instills that skill and it goes far. My advice to current student athletes is the harder you work, the further you’ll go (in lax, school, work, life, etc.), but remember to have fun while you’re at it!” We are proud of you Laura and appreciate all your support!
