

## The Report on Athletic Program Participation Rates and Financial Support Data

All co-educational institutions of higher education that participate in any federal student financial aid program (Federal Pell, Federal SEOG, and Federal Family Education, Federal Perkins Loans, et al.) and have intercollegiate athletics programs must provide information concerning their intercollegiate athletics programs under the Equity in Athletics Disclosure Act of 1994, Section 485g of the Higher Education Act of 1965, 20 U.S.C. 1092.

This Act and accompanying federal regulations require that the following information, based on the previous reporting year, be available for inspection by students, prospective students, and the public by October 15 each year. For the fiscal year ending June 30, 2020, as announced by the U.S. Department of Education on July 10, 2020, the date for institutions to distribute their Equity in Athletics Disclosure Act Report (EADA Report) was extended from October 15 to December 31, 2020. An institution may use any format to disclose this information.

**Table 1 – Athletics Participation**

This table lists the number of participants by gender for each varsity team. According to the federal regulations governing EADA reporting, a participant is defined as a student-athlete who, as of the day of a varsity team’s first scheduled contest: (a) is listed by the institution on the varsity team’s roster; or (b) receives athletically-related student aid; or (c) practices with the varsity team and receives coaching from one or more varsity coaches. Any student-athlete who satisfies one or more of these criteria as a participant, include as a student-athlete on a team the institution designates or defines as junior varsity, freshmen, or novice, or a student withheld from competition to preserve eligibility (i.e. redshirt) or for academic, medical, or other reasons.

## 2019-2020

**Table 2A – Head Coach Assignments, Men’s Teams**

This table lists the number of head coaches assigned to each men’s team, whether that coach is a male or female, whether that coach is assigned to that team on a full-time or part-time basis, and whether that coach is a full-time employee of the institution. For purposes of this report, the term “Full Time Coaching Duties” indicates the individual’s position description reflects a list of work performance responsibilities exclusively as head coach of that team, and only that team, and are consistent with the university’s definition of a full-time institutional employee (e.g. 40 hours per week or more) or part-time employee of the university (e.g. less than 40 hours per week). The term “Full Time University Employee” (e.g. 40 hours per week or more) means the individual’s overall employment responsibilities at the institution are consistent with the institution’s definition of a full-time employee.
