**Table 1 – Athletics Participation**

This table lists the number of participants by gender for each varsity team. According to the federal regulations governing EADA reporting, a participant is defined as a student-athlete who, as of the day of a varsity team’s first scheduled contest: (a) is listed by the institution on the varsity team’s roster; or (b) receives athletically related student aid; or (c) practices with the varsity team and receives coaching from one or more varsity coaches. Any student who satisfies one or more of the criteria in paragraphs (b)(3)(i)(A) through (C) of this section is a participant, including a student on a team the institution designates or defines as junior varsity, freshman, or novice, or a student withheld from competition to preserve eligibility (i.e., a redshirt), or for academic, medical, or other reasons. Male practice players who are listed on the women’s team roster as of the day of the first scheduled contest should be counted as participants on the women’s team. Women’s basketball participation count includes 9 male practice players. Women’s soccer participation count includes 5 male practice players. Women’s tennis participation count includes 1 male practice player.

**Table 2A – Head Coach Assignments, Men’s Teams**

This table lists the number of head coaches assigned to each men’s team, whether that coach is a male or female, whether that coach is assigned to that team on a full-time or part-time basis, and whether that coach is a full-time employee of the institution. For purposes of this report, the term “Full Time Coaching Duties” indicates the individual’s position description reflects a list of work performance responsibilities exclusively as head coach of that team, and only that team, and are consistent with the university’s definition of a full-time institutional employee (e.g. 40 hours per week or more) or part-time employee of the university (e.g. less than 40 hours per week). The term “Full Time University Employee” (e.g. 40 hours per week or more) means the individual’s overall employment responsibilities at the institution are consistent with the institution’s definition of a full-time employee.
