WHAT A START!

- Fairfield freshman Meghan Andersen is having one of the best collegiate starts in program history, totaling 42 points over her first two games. She netted 19 points during the season opener, the most by a Stag in their collegiate debut since M. Loretta Goerke dropped 24 at Yale in 1979.
- Andersen ranks fifth in the nation among all freshmen with 21.0 points per game while making the third most field goals among first year players
- According to HerHoopsStats, she is the only freshmen since at least 2009-10 to total six blocks and five 3-pointers against a Division I opponent. She is also the only player during that time to have nine rebounds, five 3's, six blocks, and three assists in a game

THE OFFENSE

- Fairfield has reached the 80-point mark in back-to-back games for the first time Feb. 14-16, 2004 when they reached the mark against Canisius and Niagara
- The Stags are currently ranked 19th in the country at 95.0 points per game, while placing third with 14.0 3-pointers per game.
- The 101 points scored against Lehman in the season opener was the first time Fairfield reached the triple digit mark since Jan. 10, 1999, and the sixth time in program history.

DEFENSE!

- The Stags stifling defense that ranked near the top-half of the MAAC last season, have shown their strength again in the early season, ranking 11th in the country in scoring defense (40.0) and fourth in field goal percentage defense (.212)
- The 14 points surrendered against Lehman crushed the program's single game record and was the 12th time in program history that Fairfield held an opponent to fewer than 30 points.
- The Stags forced 35 turnovers in the contest, 27 of those coming in the first half. Fairfield netted the first 29 points of the game and started the contest on a 50-1 run. In total, the Stags surrendered just three field goals.

FRESHMEN

- All four freshmen reached double-figures in their collegiate debuts against Lehman, led by Meghan Andersen's 19 points.
- In total, the first-year players have combined for 104 points, 55 percent of the team's total offense through the first two games

THE MAGIC NUMBER

- Seventy has been the magic number for the Stags over the last decade, holding a 54-2 record since the 2010-11 season when reaching that number.
- The 77-72 loss at Binghamton snapped Fairfield's 21-game winning streak when scoring 70 or more points.
- That streak in 2010-11 season started when Fairfield fell to Hofstra on Dec. 5, 2010

ROAD RUNNERS

- The Stags have built a new theme with their post players this season, referring to the forwards as “road runners” based on their speed and athleticism.
- That talent has been seen throughout the season as the post players have accounted for 42 rebounds and one double-double
- Road runner Meghan Andersen has also shown her versatility, leading the team in points, blocks, and 3-pointers made

SECOND YEAR IN OUR NEW HOME

- The Stags opened up their brand new on-campus Leo D. Mahoney Arena last season on Nov. 18.
- The 3,500 seat arena is the new home for Fairfield Men’s and Women’s Basketball and Volleyball. It is 85,000 square feet and cost \$51 million to build.
- A leadership gift by Fairfield University Board of Trustee Shelagh Mahoney-McNamee '87 is the single largest by an alumna in the University’s history.
