• Vanderbilt will be represented at the 2024 NCAA Swimming and Diving Championships for the first time since the 1988-89 season when **Kailia Utley** swims in two events this week.

• She becomes just the second Commodore ever to compete at the NCAA Division I Championships, joining **Wendy Deacon** who qualified for the event three straight years from 1987-89.

• The junior recorded times that met the NCAA B Standard in the 100 (52.92) and 200 (1:57.07) butterfly at the SEC Championships, but it was ultimately her performance turning in a 1:55.51 mark in the latter event at the Bulldog NCAA Qualifying Meet that earned an invitation to the NCAA Championships.

• This will mark the third time this season that the Huntington Beach, California, resident will be competing at Gabrielsen Natatorium. In addition to the last chance meet, she posted a top-five result in the 200 fly in a tri-meet against Georgia and Florida State after touching the wall in 1:59.82; Utley also swam the 100 fly and 100 backstroke in the meet that day.

• Not only did Utley advance to finals in both the 100 and 200 fly at this year's SEC Championships, it was the third season in a row that she has earned a second swim in the 200 fly. As a freshman, Utley qualified for the C Final in Knoxville, Tennessee, and she then made the Bonus Final the following February in College Station, Texas.

• Utley made the A Final in both races at the three-day Gamecock Invitational as well, and was the Commodores' top finisher in the 100 and 200 fly in dual meets against fellow SEC schools Florida and Arkansas during the regular season.

• A double major in classical & Mediterranean studies and medicine, health & society, Utley has earned second-team CSCAA Scholar All-American following each of her first two seasons at Vandy. She was also named Academic All-District by College Sports Communicators last winter and has appeared on the SEC Academic Honor Roll each of the last two years as well.

• Completed a three-week stint as an undergraduate research assistant last May near the ancient port city of Kenchreai, Greece, for an archaeological project led by Associate Professor of Classical and Mediterranean Studies **Joseph L. Rife**. Alongside three other undergraduates and Rife's research team at the Archaeological Museum of Isthmia, she spent much of her time studying pottery shards related to the commerce once conducted around the harbor.

• Utley and the Commodores also went on an international trip to New Zealand last spring, a two-week trip exploring the natural world around Rotorua and Whakapapa that included hiking roughly 20 kilometers through rugged terrain in the Tongariro National Park.

• Utley is following a family tradition participating in athletics at the collegiate level, joining both parents and a pair of older brothers. Both her mother **Kathy** (swimming) and father **Heath** (track and field) competed at Arizona, while siblings **Noah** and **Brayden** were offensive and defensive linemen at Army and Baylor, respectively.

Commodore Countdown

2	Finals reached by Utley at the SEC Championships in February, as she qualified for the Consolation Final in both the 100 and 200 butterfly in Auburn.
3	Straight years that Utley has qualified for postseason competition after swimming at the CSCAA National Invitational Championships to conclude each of her first two seasons at the collegiate level.
4	School records owned by Utley, including a pair of freshman marks. She has recorded the fastest times in program history in the two events she'll be competing in this weekend (see page _), after setting school freshman standards in both (100 fly: 53.71; 200 fly: 1:58.53) during the 2021-22 campaign.
6	Individual wins this season for Utley after she finished first in the 200 butterfly final at the Bulldog NCAA Qualifying Meet the opening weekend of the month. That's one more victory than she earned either as a freshman or a sophomore at Vandy.
16	Victories in her career, most on the team. Of those, six have come in finals including three her freshman season at the Miami (Fla.) Invitational.
