Upgrades to the Hawk: Vanderbilt revealed artistic renderings for major enhancements to Hawkins Field, home of Vanderbilt baseball and the two-time national champion VandyBoys. A cornerstone of Vandy United's recently announced Dare to Grow phase, the Hawkins Field initiative creates extensive premium seating opportunities, expands capacity and reimagines the game day experience for supporters of one of college baseball's most successful programs.

- **Second grandstand level:** A new deck of seats above the existing grandstand, part of raising capacity by more than 10 percent, will feature exclusive opera-style boxes that put fans on top of the action. A second pillared concourse creates a coliseum effect for the exterior façade along the multi-use greenway developed in Vandy United's initial phase.
- **Multiple innovative club spaces, including left-field wall and behind-the-plate seating:** A completely new addition to Hawkins Field, club spaces give supporters unique ways to enjoy the game. Spaces include seating atop the iconic left-field wall and a partially submerged behind-the-plate vantage point in the main grandstand.
- **Multiple private suite opportunities:** Also all-new at Hawkins Field, private suites will form a new third level above the existing press box and offer the ultimate group experience.
- **360-degree stadium experience:** Fans will be able walk between infield and outfield seating areas without leaving the facility, further enhancing the atmosphere.
- **Hawkins Field entry atrium:** An instantly Instagrammable spot for all VandyBoys fans, a new entry atrium beyond right field offers a place to meet before climbing the stairs to soak in the unforgettable view of the field.
- **Multi-purpose building:** A new 20,000-square-foot building beyond right field provides space for enhancing both the fan and student-athlete experience.
