Althea Thomas took over as Vanderbilt's director of cross country and track and field on July 8, 2021. She brings more than 20 years of coaching experience to Nashville, including three stops in the SEC with the last four seasons spent at Georgia. Most recently, Thomas served as associate head coach and recruiting coordinator for the Bulldogs where she led the men and women's sprints, hurdles and relays.

"Coach Thomas is highly respected in the track and field community with a deep commitment to developing student-athletes athletically and academically," vice chancellor for athletics and university affairs and athletic director Candice Storey Lee said. "Her integrity, coaching pedigree and experience in the SEC made her the ideal candidate to lead our cross country and track and field programs."

In 2025, Thomas' Commodores broke five school records and added 50 marks ranking in the program all-time top 10. Marta Sivina also set the U23 Latvian National Record in the 60-meter hurdles. To end the NCAA season, Allyria McBride earned first-team All-America honors in the 400-meter hurdles. At the USATF U20 Outdoor Championships, Lily Kriegel won the 5,000 meters and earned a bronze medal in the 1,500 meters.

Outside of athletics, 22 members of the cross country team were named to the SEC Fall Academic Honor Roll. Junior Santana Spearman was nominated for the first-ever Allstate NACDA Good Works Winter Team. Five student-athletes were named to the College Sports Communicators Academic All-District Team.

In Thomas' third season at the helm, Veronica Fraley won the 2024 NCAA title in the discus, and the team brought home a top 25 team finish for the second consecutive season. At the SEC Outdoor Championships, the Commodores tied their best team finish in program history, tallying 45 points to place eighth. The meet was highlighted by SEC Field Athlete of the Year Fraley's win in the shot put and runner-up finish in the discus.

Four Commodores, Fraley, Giavonna Meeks, McBride and Falon Spearman, qualified for the 2024 U.S. Olympic Team Trials. McBride advanced

to the semifinals in the 400-meter hurdles, while Fraley punched her ticket to Paris with a bronze-medal finish in the discus.

At the 2024 SEC Indoor Championships, Meeks' 23.04-meter weight throw mark broke the SEC freshman record and ranked second all-time among freshman collegians. She walked away from the SEC Championships with a bronze medal. Meeks would go on to place sixth in the weight throw at the NCAA Indoor Championships, the best finish by a freshman in the weight throw at nationals since 2004.

During the 2023 season, Thomas led the team to a 20th-place finish at the NCAA Outdoor Championships, its best since 1997. Five student-athletes earned All-America honors, including Beatrice Juskeviciute, who was the runner-up in the heptathlon.

At the SEC Outdoor Championships, Thomas boasted two individual champions, Fraley in the discus and Juskeviciute in the heptathlon, and six additional scoring performances across three disciplines.

In her first season with the Commodores, Thomas coached student-athletes to six indoor and outdoor All-America selections. Taiya Shelby broke the indoor 400-meter school record and had the No. 2 performance in program history in the outdoor 400 meters—earning second-team All-America recognition in both events. Three-time All-American Divine Oladipo earned first-team honors in the outdoor shot put and was a second-team selection in the discus and indoor shot put. Grace Jensen also earned second-team All-America honors in the 1,500 meters.

At the 2022 SEC Outdoor Championships, Vanderbilt notched seven scoring performances. During the SEC Indoor Championships, Oladipo earned a silver medal in the shot put and second-team All-SEC honors.

Personal

As a student-athlete, Thomas was a two-time NCAA outdoor team champion (2000, 2003) at LSU. She was a provisional NCAA qualifier in the 800 meters and a national qualifier in the 400-meter hurdles in 2003.

Thomas, a native of Birmingham, Alabama, earned her bachelor's degree in kinesiology from LSU in 2004.
